Ms. Dale Farley:

This year, the California Highway Patrol (CHP) will again join with local community service organizations throughout the State to support the Sober Graduation campaign.

Since its inception, the "Sober Grad" Campaign has helped decrease the number of young people, between the ages of 15 and 25, who are killed or injured in alcohol-involved traffic collisions. Our goal each year is to build on that success by continuing to raise the awareness of young people and help them "make it to their future."

Our young people are the next Californians to make a difference in the safety and success of our communities. The "Sober Grad" Campaign provides them an opportunity to make a positive life choice that benefits everyone. On behalf of myself and the officers within my command, I commend your school district for sponsoring this program and pledge to you my support. If I can be of further assistance, please feel free to give me a call at (209) 545-7440.

Sincerely,
